Entwined with You (Crossfire, Book 3) By Sylvia Day

The worldwide phenomenon continues as Eva and Gideon face the demons of their pasts, and accept the consequences of their obsessive desires...

From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I saw the dangerous and damaged soul inside--so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat.

No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become.

Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession...

Amazon Exclusive: Interview with Sylvia Day

After naming Sylvia Day's *Bared to You* a 2012 Best Book of the Year in Romance and devouring *Reflected in You*, we've been anxiously awaiting the release of the third book in Day's scorching Crossfire series, *Entwined with You*. To whet our appetites and make waiting for the book's arrival a little easier, Amazon Romance expert Alyssa Morris spoke with Day about what's next for Gideon and Eva, her upcoming collaboration with Harlequin and *Cosmopolitan*, her all-time favorite romance novels, and much more.

Alyssa Morris: Now that you've had a bit of time to absorb the success of *Bared to You*, does it feel real? Or are you still surprised?

Sylvia Day: I'm still surprised! I'm glad I'm a veteran and that I've been publishing for close to 10 years, so I had some experience under my belt as far as dealing with it. But on the other hand, there's no way to anticipate writing something that becomes a global phenomenon, you know. I don't know about other writers--I didn't even dream about anything like that. I always figured that it just happened to the Stephenie Meyers and J.K. Rowlings of the world. So, yeah, I don't think I'll ever get over being surprised that I had a series that struck such a chord.

AM: It just hit such a moment in our culture, where all of a sudden this is what everyone wants to be reading. It's an interesting confluence.

SD: Right. We always talk about that, about right book, right time. Random House released *Fifty Shades* on the same day I self-published *Bared to You*, so talk about the right timing. Just... wow!

AM: Do you have a favorite moment in the Crossfire series so far?

SD: You know, I really loved the weekend that Gideon and Eva spent in the Outer Banks. These poor guys. When they're alone, they're fine. Life is perfect when they're alone. Unfortunately, they don't get a lot of time alone. [Laughs] So I just love that. I love seeing them together away from all of the distractions and intrusions and everything else that's going wrong in their lives.

I can't talk too much about *Entwined with You* because it's not out yet. And that's so hard, because I so want to talk about it! But there's more alone time with Gideon and Eva as we move forward in the series and they grow stronger, so I'm really enjoying that as a writer.

Review

A Goodreads Choice Awards Finalist for Best Romance of 2013

"Day's highly anticipated third Crossfire novel is worth the wait. Eva and Gideon's relationship reaches a new level, and while they continue to struggle with mistakes from their past, there's no denying the fiery passion that blazes between the two. It's been a delight watching Eva grow into a strong, confident woman,

and even Gideon makes some progress as a partner worthy of such a fantastic heroine." - *RT Book Reviews*

"Day takes romantic love by the scruff of the neck and injects it with a Class-A drug for added intensity, but in *Entwined with You* also produces a love story that is ultimately sophisticated, engaging, clever and sweet." - *The Irish Independent*

"... the characters are compelling, and the book itself is well written and the characterization is interesting. The sex scenes in this book are extremely hot and they do advance the connection between the characters." - Dear Author

"The Crossfire series raises the bar... Although they may have been victims in the past, they are no longer. Strengthen by their resolve to take control of their lives, instead of being controlled by their past; both Eva and Gideon display great character development. I highly recommend *Entwined with You*." - Night Owl Reviews

Praise for Sylvia Day and the Crossfire series

"The rush of erotic fiction into the hands of mainstream readers invites consideration of whether twenty-first-century society is flirting with a new normative sexual epoch. Day's novel explores this issue unflinchingly and compellingly by pairing her narrative of sexual temptation and emotional risk with character studies that mirror divisive social and cultural issues of identity, trauma, repression, and liberation."—Andrea Cremer, *New York Times* bestselling author

"You know you're in for a good book when other authors—and I mean LOTS of other authors—recommend it."—*USA Today*

"A page-turner!"—*Access Hollywood Live*

"*Bared to You* takes a sensual look at a darker side of love."—*Shelf Awareness*

"[A] highly charged story that flows and hits the mark."—*Kirkus Reviews*

"Full of emotional angst, scorching love scenes, and a compelling story line."—Dear Author

"Will have you furiously flipping pages."—*Glamour*

"Sophisticated, engaging, clever and sweet."—*The Irish Independent*

"Superb writing...I can't wait to see what Day does next!"—*RT Book Reviews*

"When it comes to brewing up scorchingly hot sexual chemistry, Day has few literary rivals."—*Booklist*
