Mother Teresa: Come Be My Light: The Private Writings of the Saint of Calcutta By Mother Teresa

“If I ever become a Saint—I will surely be one of “darkness.” I will continually be absent from Heaven—to light the light of those in darkness on earth.”

–Mother Teresa of Calcutta

During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions; her extraordinary contributions to the care of the sick, the dying, and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world. Little is known, however, about her own spiritual heights or her struggles. This collection of letters she wrote to her spiritual advisors over decades, almost all of which have never been made public before, sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness for the first time. A moving chronicle of her spiritual journey—including moments, indeed years, of utter desolation—these letters reveal the secrets she shared only with her closest confidants. She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith, a true dark night of the soul.

Editorial Review

From Publishers Weekly

Mother Teresa was one of the most revered people of the 20th century, so it is no surprise that 10 years after her death people still want to know what impelled this poor, humble Albanian woman to give her life to God so completely. Kolodiejchuk, a Catholic priest and friend of Mother Teresa's who is actively promoting her cause for sainthood, assembles a startling and impressive collection of her writings, most of which have never been seen by the public. Two themes especially shine through in Mother Teresa's letters, namely, her absolute conviction that she was doing God's will, and a deep and surprising chasm of darkness within her that some would call the dark night of the soul. It is also apparent that this saintly woman was no pushover. In her quest to found the Missionaries of Charity, she aggressively pursued approval from her bishop, fully confident that God desired this work to be done. Kolodiejchuk is at times a bit presumptive in his interpretations of Teresa's letters, as no one can say for certain what was in her mind and heart at all times. What we do know, in part thanks to this volume, is that Mother Teresa's vocation to care for the poorest of the poor will continue to inspire people for generations.

Review

Come Be My Light is that rare thing, a posthumous autobiography that could cause a wholesale reconsideration of a major public figure – one way or another. It raises questions about God and faith, the engine behind great achievement, and the persistence of love, divine and human. That it does so not in any organized, intentional form but as a hodgepodge of desperate notes not intended for daylight should leave readers only more convinced that it is authentic – and that they are, somewhat shockingly, touching the true inner life of a modern saint. —David Van Biema, Time Magazine

Review

“If I ever become a Saint—I will surely be one of “darkness.” I will continually be absent from Heaven—to lit the light of those in darkness on earth .”

—Mother Teresa of Calcutta

Users Review

From reader reviews:

Scott Ridgway:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each publication has different aim or even goal; it means that guide has different type. Some people sense enjoy to spend their a chance to read a book. They may be reading whatever they take because their hobby is usually reading a book. Think about the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you will require this Mother Teresa: Come Be My Light: The Private Writings of the Saint of Calcutta.
