Editorial Review

Review

Piano accompaniments are all straightforward and relatively easy. The well-spaced and clear text is fully up to OUP's usual excellent standard of printing. An enjoyable and stimulating set of books, and what makes them exceptionally interesting and useful are the fascinating notes above each piece. * Somerset Music Maker *

About the Author

Paul Harris has established an international reputation as one of Britain's leading educationalists. He studied clarinet and conducting at the Royal Academy of Music, He then went on to study music education with Professor Keith Swanwick at the University of London.
