Puerto Rico Cinco Siglos de Historia By Francisco A. Scarano

La aparición de la primera edición de Puerto Rico: Cinco Siglos de Historia consolidó a Francisco A. Scarano como uno de los historiadores contemporáneos sobre Puerto Rico más reconocidos y documentados en Latinoamérica y el Caribe. En esta segunda edición, el autor mantiene la esencia del enfoque histórico en sus investigaciones; analiza el devenir de los acontecimientos en Puerto Rico, remontándose a la llegada de los primeros pobladores del continente americano, para cerrar con el mundo boricua de finales del siglo XX. Su aguda visión nos guía en un recorrido histórico de cinco siglos, realizando una interpretación objetiva de los acontecimientos más relevantes del país caribeño, en los órdenes económico, político, geográfico y social. Con invaluable recursos didácticos y profusamente ilustrada, el lector encontrará en la presente edición una obra intelectual cuyo estudio es indispensable para comprender el Puerto Rico contemporáneo.
