Editorial Review

Review

"The appearance of this new clarinet study is most welcome....this is a composite effort....it provides wealth of information useful to players and clarinet admirers alike. Serious students and players will have many occasions to consult specific points, yet it contains enough general information to warrant its inclusion in music libraries of all sorts." David Ross, Notes

Users Review

From reader reviews:

Jeff Sanchez:

The guide untitled The Cambridge Companion to the Clarinet (Cambridge Companions to Music) is the reserve that recommended to you you just read. You can see the quality of the reserve content that will be shown to you actually. The language that article author use to explained their ideas are easily to understand.
