**The Honourable Schoolboy** By John le Carré

From the *New York Times* bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; and *The Night Manager*, now a television series starring Tom Hiddleston. John le Carré's new novel, *A Legacy of Spies*, will be available from Viking in Fall 2017.

*As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose.*

The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold.

Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage.

With an introduction by the author.

### Editorial Review

#### Review

"Not a page of this book is without intelligence and grace."—*The New York Times*

"Energy, compassion, rich and overwhelming sweep of character and action...one of the finest English novels of the seventies."—*The Times* (UK)

"All the good things are there: the Balkan complexities of plot; the Dickensian profusion of idiosyncratic characters; and above all, le Carré's glistening social observation."—*Time*

#### From the Publisher

#### From the Inside Flap

Tinker, Tailor, Soldier, Spy -- John le Carré's last tremendous success-ended with the devastating unmasking of a double agent at the heart of the British Secret Service (known as the Circus to le Carré's millions of readers round the world). Now, in *The Honourable Schoolboy*, George Smiley -- who has assumed the unenviable job of restoring the health, and reputation, of his demoralized organisation -- goes over to the attack. Salvaging what he can of the Service's ravaged network of spies, summoning back a few trustworthy old colleagues, working them -- and himself-around the clock, he searches for a whisper, a hint, a clue that will lead him back to his opposite number: Karla, the Soviet officer in Moscow Centre who masterminded the infamous treachery.

When he finds his opening, Smiley moves without hesitation. His battleground: the Far East. His choice of weapons: the Honourable Gerald (Jerry) Westerby, an Old Asia Hand, veteran of several marriages (and wars), unquestioning in his readiness to answer Smiley's summons. "You point me and I'll march," says Jerry.

Jerry's odyssey begins: to Hong Kong-and blackmail and murder; to collapsing Cambodia and Vietnam-and drug traffickers, the CIA, and a huge and mystifying "gold seam" spilling out of Russia. Slowly, manipulated by Smiley and his cohorts back in the Circus, Jerry thrusts himself into the centre of an intrigue of money, defection, passion -- and finds not only fertile ground for Smiley's revenge, but a drama of loyalty and love that both tests his courage and spurs his belated coming of age, in tragic defiance of the voracious requirements of the trice which owns his allegiance.

Here is John le Carré's richest, most accomplished work. Suspense, excitement, the techniques of espionage as only he has been able to make them real for us -- together with a Towing capacity for sustained action, a grandly conceived and intricately drawn plot, and profound observation of the Far Eastern landscape. *The Honourable Schoolboy* is both a supreme entertainment and a major novel.
