The Japanese Art of Sex: How to Tease, Seduce, and Pleasure the Samurai in Your Bedroom By Jina Bacarr

Attention to detail, small gestures with profound meaning, brilliantly intuitive . . . these are the hallmarks of Japanese art, and they apply equally to the Japanese art of sex. Here for the first time is a practical guide that shows you how to use the ancient and modern Japanese sexual practices of court ladies, courtesans, and geisha to spark romance and deliver an erotic "floating world" of pleasure to you and your partner.

Japanese sex is not about the orgasm. In Japan, honest and healthy sex is at one with a love of nature and purity. But it is often the woman who knows more and cares more about extending passion into the realm of spirituality, using all of the senses. In *The Japanese Art of Sex* you'll practice aromatherapy, bathing and erotic meditation for calming; explore the art of conversation to stimulate the mind and expose the heart, roleplay to fulfill your fantasies; and, finally, use your fingers and tongue to tease and caress before choosing a position to make love.

Chapters with titles like "The Nine Points of Beauty," "Iki: The Art of Cool," and "Bathhouse Games and Sexy Cuisine" lead you step by step through over a thousand years of Japanese explorations into sex and love. While explicit, the discussions are tasteful and resolutely nonexploitive.

For like-minded modern Western women, eager to explore new ways of lovemaking and pleasure-giving, this book will be a welcome respite from all the other manuals that emphasize technique over the art of sex.

Jina Bacarr has written business books and magazine -articles, and she has coauthored a novel about Japan. She was previously the Japan-based consultant on KCBS-TV and MSNBC, and currently has her own weekly radio show, "On the Wild Side: The Spicier Side of Books." She lives in Southern California.

Editorial Review

Users Review

From reader reviews:

Nellie Kim:

Book is usually written, printed, or created for everything. You can recognize everything you want by a book. Book has a different type. As you may know that book is important thing to bring us around the world. Close to that you can your reading skill was fluently. A guide The Japanese Art of Sex: How to Tease, Seduce, and Pleasure the Samurai in Your Bedroom will make you to possibly be smarter. You can feel far more confidence if you can know about every thing. But some of you think this open or reading a book make you bored. It isn't make you fun. Why they are often thought like that? Have you searching for best book or suited book with you?

Freddy Lamberth:

What do you ponder on book? It is just for students since they're still students or that for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book The Japanese Art of Sex: How to Tease, Seduce, and Pleasure the Samurai in Your Bedroom. All type of book would you see on many solutions. You can look for the internet options or other social media.

Irma Huges:

As people who live in the particular modest era should be up-date about what going on or information even knowledge to make them keep up with the era that is always change and advance. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This The Japanese Art of Sex: How to Tease, Seduce, and Pleasure the Samurai in Your Bedroom is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Fred Prentice:

What is your hobby? Have you heard that question when you got students? We believe that that concern was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person just like reading or as reading become their hobby. You need to know that reading is very important as well as book as to be the issue. Book is important thing to provide you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. A substantial number of

sorts of books that can you go onto be your object. One of them is niagra The Japanese Art of Sex: How to Tease, Seduce, and Pleasure the Samurai in Your Bedroom.
