Xy By Elisabeth Badinter

Examining changing role models for masculine identity--from cowboy in the 1950s to Terminator in the 1990s, from flesh-and-blood man to machine--this book suggests that men need new role models and that sufficient room needs to be left for the expression of male vulnerability.

Editorial Review

Review

"Examines masculinity from a historical and psychological perspective, lingering on how society's and men's attitudes toward homosexuality have changed over the years.... The subject... is well researched and skillfully presented." -- *New York Times Book Review*

Language Notes

Text: English (translation)

Original Language: French

About the Author

ELISABETH BADINTER, internationally known feminist philosopher and historian, teaches at the École Polytechnique in Paris.

Users Review

From reader reviews:

Bonita Murray:

In this 21st one hundred year, people become competitive in each way. By being competitive today, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated this for a while is reading. Sure, by reading a e-book your ability to survive raise then having chance to stay than other is high. For you who want to start reading the book, we give you this particular Xy book as starter and daily reading e-book. Why, because this book is usually more than just a book.

John Tillery:

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Xy, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't get it, oh come on its referred to as reading friends.

Pauline Bardwell:

Are you kind of occupied person, only have 10 or 15 minute in your moment to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are receiving problem with the book than can satisfy your short time to read it because this time you only find book that need more time to be examine. Xy can be your answer since it can be read by anyone who have those short time problems.

Faye Pearson:

In this age globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. The particular book that recommended to you personally is Xy this book consist a lot of the information with the condition of this world now. This kind of book was represented how can the world has grown up. The language styles that writer use for explain it is easy to understand. The actual writer made some investigation when he makes this book. That is why this book suitable all of you.
