Editorial Review

Review

Cavalieri and Rupp clearly possess a wealth of practical knowledge regarding the conduct of clinical trials and demonstrate their decades of experience through their practical examples and tips. The information conveyed is readily translatable to practice and is presented in a straightforward and easy-to-use format for those who work in the clinical research field. --Christopher J. Kratochvil, MD Associate Vice Chancellor for Clinical Research, University of Nebraska Medical Center Chief Medical Officer, UNeHealth

This book is long overdue! Cavalieri and Rupp have combined their knowledge and broad research experience to write a manual that is useful for all members of the clinical research team. Clinical Research Manual: Practical Tools and Templates for Managing Clinical Research provides a framework for a consistent approach to all aspects of conducting clinical trials. Up to now, many research team members learned these things by trial and error. This book is a must have for every clinical research team. --Joan M. Lappe, PhD, RN, FAAN Criss/Beirne Professor of Nursing Professor of Medicine Creighton University

An invaluable resource for clinical research professionals, whether they are new to the discipline or have a long history of clinical trial experience. The format of the manual allows the reader to hopscotch to topics of interest, gaining insights from the authors via practical tips and templates. Cavalieri and Rupp effectively take the point of view of the researcher, anticipating the challenges researchers are likely to encounter in the preparation and conduct of clinical trials. --Art Gertel, MS VP, Strategic Regulatory Consulting & Medical Affairs TFS Americas

About the Author

R. Jennifer Cavalieri, BSN, RN, CCRC, CCRP, is the Nurse Coordinator of Clinical Research Projects in Infectious Diseases section at the University of Nebraska Medical Center, and she has been a research nurse for more than 25 years. Her experience includes coordinating clinical research trials sponsored by the pharmaceutical industry, federal agencies, and investigator-initiated trials. She has also worked as a dedicated subject recruiter and manager of a clinical trials office.

Mark E. Rupp, MD, is Professor and Chief of Infectious Diseases and Medical Director of the Department of Infection Control and Epidemiology at the University of Nebraska Medical Center. His research experience includes leading numerous infectious disease bench and clinical trials as the Principal Investigator. Dr. Rupp is Past President of the Society of Healthcare Epidemiology of America (SHEA) and has authored more than 100 peer-reviewed scientific papers. He was the Medical Director for a hospital-based clinical trials office and has served as an advisor for the CDC, FDA, NIH, and VA.

Users Review
