Creativity: Unleashing the Forces Within (Osho Insights for a New Way of Living) By Osho

As Osho points out in the foreward to this book, historically, the creative person has been all but forced to rebel against the society.

But nowadays, the situation has dramatically changed. In today's world, the ability to respond creatively to new challenges is demanded of everybody, from corporate CEOs to "soccer moms." Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers. Making a switch from imitative and rule-bound behavior to creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities.

Creativity is a handbook for those who understand the need to bring more creativity, playfulness, and flexibility to their lives. It's a manual for thinking "outside the box"-and learning to live there as well.

Editorial Review

About the Author

Osho is one of the best-known and most provocative spiritual teachers of the twentieth century. Beginning in the 1970s he captured the attention of young people from the West who wanted to experience meditation and transformation. More than 20 years after his death, the influence of his teachings continues to grow, reaching seekers of all ages in virtually every country of the world.

Users Review
