### Editorial Review

#### From the Back Cover

Written with a clear and engaging presentation, early childhood authority Sue Bredekamp designed this text to prepare a new generation of early childhood professionals to be intentional teachers ready to join the profession believing they can and will make a difference in children's lives and education. Bredekamp's clear and engaging presentation remains focused on three key themes: intentional teaching, challenging and interesting curriculum, and evidence-based, effective practices for today's and tomorrow's early childhood teachers. The text provides the building blocks for understanding effective practices in early childhood education with a solid framework for *Developmentally Appropriate Practice*, preparing and empowering readers to become the type of teachers that enhance young children's learning and development positively and effectively.
