Gravediggers: Entombed By Christopher Krovatin

For tween fans of R.L. Stine and Patrick Carman, this exciting final installment of the Gravediggers series is full of gross-out gore, humor, and “splattery mayhem” (*Kirkus Reviews*).

Severed limbs. Rotting flesh. Popping bones. Best friends Ian, Kendra, and PJ have seen it all, and they've spent the last few months risking their lives to rid the world of zombies. Now they face their biggest challenge yet: tracking down the vengeful ex-Gravedigger who is holding their mentor hostage in an abandoned underground city. Deep in the menacing caves of Kudus, time is running out for O'Dea, whose powers can be used to unlock a deadly curse.

If that weren't enough, all the kids are keeping things from each other—secrets that threaten to break up the group and thwart their efforts to destroy the gruesome zombies that are crawling all over Kudus. Will their friendship survive this harrowing underground mission? Will they escape Kudus with their lives?

Editorial Review

From the Back Cover

Severed limbs. Rotting flesh. Popping bones. Ian, Kendra, and PJ have seen it all, and they've spent the last few months risking their lives to rid the world of the gruesome zombies that seem to find them wherever they go.

Now they face their biggest challenge yet: tracking down the vengeful ex-Gravedigger who is holding their mentor, O'Dea, hostage in a menacing underground city. Hidden deep within an abandoned cave in Indonesia, Kudus is dark, creepy, and crawling with a dangerously evolved breed of zombies—and despite their training, the gang feels totally unprepared to fight these terrifying new beasts.

But there are plenty of unsettling surprises inside the group, too. Kendra is wrestling with strange new powers that she can't explain, while Ian realizes feelings for Kendra that he can't explain. And PJ has been handed a chilling prophecy about his future that he's afraid to share with his friends. But they'll have to work together to save O'Dea before her powers are used for deadly destruction.

In this final installment of the series, the fate of the human world rests on the Gravediggers' shoulders—but will they escape Kudus with their lives?
