## **Introduction to Women's and Gender Studies: An Interdisciplinary Approach** By Melissa J. Gillis, Andrew T. Jacobs

*Introduction to Women's and Gender Studies: An Interdisciplinary Approach* is a truly interdisciplinary and intersectional text featuring global examples for women's, gender, and sexuality studies. Its student-centered rhetorical approach and pedagogical features--including an engaging image program, prompts for activism, a comprehensive glossary, appendices of key terms, annotated bibliographies for additional reading, and "Feminisms in Brief"--aid students in assimilating fundamental women's and gender studies terms and concepts. While it is a textbook and not an anthology, *Introduction to Women's and Gender Studies* adopts the best facets of the anthology approach: it includes discussions of frequently anthologized writers and writing that is more engaging and narrative in style than traditional textbooks. The book systematically covers core interdisciplinary concepts so that students are prepared for women's and gender studies courses in a variety of disciplines.

### Editorial Review

#### Review

"*Introduction to Women's and Gender Studies* is very engaging--it is truly a pleasurable read!--and at the perfect level for my students. The text seamlessly integrates insights from a variety of academic disciplines in a way that alerts students to its interdisciplinarity and to the conventions of citation. It discusses gender issues from a global standpoint, deconstructing any simplistic us-them binaries and discouraging students from easy judgments. It's everything I've been looking for in a textbook."--Abigail Palko, *University of Notre Dame*

"This text will make a groundbreaking--and perhaps even revolutionary--contribution to the interdisciplinary fields of gender studies and queer theory. It does what very few have managed to accomplish; that is, transcend 'interdisciplinarity' as a buzz word and actually attain this goal in practice and pedagogy."--Steven F. Buttermann, *University of Miami*

"I found the approach to be unique, refreshing, and effective. *Introduction to Women's and Gender Studies* is at the head of the class."--Gretchen DeHart, *Washington State University*

"*Introduction to Women's and Gender Studies* is close to perfect: it features contemporary social issues situated within a historical context, excellent explanations of terms and concepts, and current and challenging tools on the website."--Sharon Sullivan, *Washburn University*
