It’s fiction based on truth, guaranteed to get a little rain on you. Legend Awakening When small-town, Southern boy Liam Jackson learns he’s able to evoke The Ultimate Female Orgasm, he’s unprepared for the side effects. With each one he brings forth, he inherits the woman’s sexual uncertainty and frustrations. This frees the woman to love whomever she chooses, but binds Liam’s soul more and more with each encounter, lessening his ability to find love. Inspired by the rumor of a legendary ritual known as “The Rain Ceremony,” Liam questions whether this ability may be his hereditary legacy. In a reckless search for answers, he creates havoc with the people he cares about most. Reaching the lowest point of his life, he is faced with a pivotal decision: will Liam seek the future his family wants for him, or continue his search for the truth? As the legend awakens, Liam can no longer ignore the mysterious powers at work within him.
