Reading Detective A1 By Critical Thinking Books & Software

The standards-based critical thinking activities of Reading Detective develop the analysis, synthesis, and vocabulary skills children need for exceptional reading comprehension. The activities are especially effective at helping children understand more challenging reading concepts such as drawing inferences, making conclusions, determining cause-and-effect, and using context clues to define vocabulary.

Children read and analyze short literature passages and stories that include fiction and nonfiction genres. Then they answer multiple-choice questions, citing sentence evidence to support their answers.

The A1 level includes mixed-skills throughout.

Teaching Support

Includes reports, lesson guidelines, and detailed explanations of answers.
