## The Language of Winnicott: A Dictionary of Winnicott's Use of Words By Jan Abram

Jan Abram's lexicon - *The Language of Winnicott* - has proved to be the definitive comprehensive guide to Winnicott's thought since it was first published in 1996, Winnicott's centenary Year. The twenty-two entries represent the major conceptualisations in Winnicott's theories and take the reader on a journey through his writings that span from 1931 to 1971. Thus the volume is an anthology of Winnicott's writings. This new edition expands on each original entry predicated on Abram's research discoveries, including archival material, over the past decade.

### **Editorial Review**

#### **Review**

This book fills a gap in the literature. What Laplanche and Pontalis have done for Freud, and Hinshelwood for Klein, has now been rendered by Jan Abram for Winnicott, undoubtedly one of the greats of modern day psychoanalysis. Judy Cooper, British Journal of Psychotherapy Jan Abram has given us a gem of a book. It is clearly the result of many years studying, discussing, and teaching. Jennifer M. Bonovitz, Psychoanalytic Books Abram's extremely helpful and lively guide includes a complete bibliography (compiled by Harry Karnac, publisher and friend of Winnicott and the London analytic community), arranged both alphabetically and chronologically from 1919 to 1989. Given Winnicott's productivity including his many talks, letters, and broadcasts as well as books and papers as purveyors of his ideas, the compilation is highly valuable to scholars. R. H. Balsam, Yale University, in CHOICE This is a scholarly piece of work and should be on the bookshelf of all readers of psychoanalysis. Jeanette Beaufoy, Australian Journal of Psychotherapy There are many works on Winnicott. The originality of this one is that it is as close to an encyclopedia. People often use - in fact misuse - Winnicott's expressions inappropriately (I.e. false self), or sometimes they wrongly attribute to Winnicott's interpretations of ordinary concepts of psychoanalysis (I.e. sexuality). Thanks to Jan Abram, this will not pass unnoticed any more. Andre Green

#### **About the Author**

Jan Abram is a psychoanalytic psychotherapist in private practice in London. She was appointed Director of The Squiggle Foundation for the period 1996 - 2000, and is also following the analytic training at the Institute of Psycho-Analysis, London.
