### Blood of the Maple: A page turning erotic romance (Maggie's Grove Book 1)

By Dana Marie Bell

A seduction-gone-wrong leaves vampire Parker Hollis with a new vegetarian lifestyle and on the run from a vengeful witch. Moving to small-town Maggie's Grove, Parker meets a redheaded dryad with green, leafy blood that draws him in a way he hasn't experienced in decades. His new neighbor smells divine, and it isn't long before craving gives in to need.

In a unique community of supernaturals, tree-loving outcast Amara Schwedler has never quite fit in. She's scarred by a traumatic incident and feared by the local townsfolk. She's convinced Parker will look elsewhere for a mate once he discovers she's not one of the O-positive set, and can't believe it when Parker finds her irresistible.

When the witch who's been plaguing Parker's life discovers the newfound attraction between Parker and Amara, she takes out her anger on the town. Can the supernaturals of Maggie's Grove accept Amara and band together in time to withstand the assaults of the enraged witch?
