### Editorial Review

#### Amazon.com Review

For all those fans who simply can't get enough of Harry Potter and company, here is a happy solution. This full-color poster book features 15 small tear-out posters of the Muggle world's favorite wizard and his friends. Taken directly from the live-action film, *Harry Potter and the Sorcerer's Stone* (based, of course, on the book of the same title), each poster includes exciting scenes and characters from the movie, ready for display on the bedroom wall. Harry, Hermione, and Ron figure prominently, along with glimpses of Dumbledore and Hagrid. There's even a most-appealing shot of Harry, Ron, and Ron's rat, Scabbers, goofing around and gorging on Honeydukes candy. (Ages 7 to 12) --*Emilie Coulter*

**Betty Jordan:**

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Harry Potter Poster Book can make you truly feel more interested to read.
