### **Management: Leading People and Organizations in the 21st Century (2nd Edition)** By Gary Dessler

With up-to-date coverage and innovative new features, Gary Dessler's popular text will show you what it takes to thrive in today's intensely competitive environment. Concrete and practical explanations of concepts and techniques illustrate the essential skills you'll need to manage today's new organizations, whether large or small. With intriguing themes integrated throughout the text, Dessler's book is truly one of a kind. Here are some of the features you'll find in the second edition: \*Enhanced e-business and technology coverage, with new "Managing @ the Speed of Thought" features in each chapter that discuss how managers use screen shots to further illustrate issues and to show how technology and e-business issues are affecting managers today. \*Globalization-one of the key trends in management is sure to continue in the new century, and will continue to affect managers in organizations of all sizes. Dessler covers globalization with a full chapter early on, giving you an early introduction to this vital topic. \*People and human behavior are key to successful management." The People Side of Managing" boxes emphasize the importance of the behavioral aspects of managing, and "Entrepreneurs in Action" boxes stress the increasing significance of smaller companies in today's business environment. \*"You Be the Consultant," a continuing case that focuses on KnitMedia, a music and entertainment company, is a fun and interactive feature that asks you to put yourself in the place of KnitMedia managers, and make management decisions for the company. \*A five-part integrated set of Video Cases, corresponding to video filmed on location at KnitMedia's offices, appears at the end of each major part of the text. New to the Second Edition! myPHLIP-your personal guide to free on-line resources for Management, Second Edition. Featuring one-click access to all of the resources created by our award-winning team of educators, myPHLIP provides a personalized view of great new resources as well as those you have trusted throughout the years. myPHLIP gives students and faculty the best business resources available.

### About the Author

GARY DESSLER (Ph.D., business administration, Bernard Baruch School of Business) is Professor of Business at Florida International University. In addition to *Management: Leading People and Organizations in the 21st Century*, he is the author of a number of other books including, most recently, *Human Resource Management*, 8th edition (Prentice-Hall), *Essentials of Human Resource Management* (Prentice-Hall), and *Winning Commitment: How to Build and Keep a Competitive Workforce*. His books have been translated into Chinese, Russian, Indonesian, Spanish, and Portuguese, and are being used by students and managers all over the world. He has written numerous articles on employee commitment, organizational behavior, leadership, and quality improvement, and for ten years wrote the syndicated "Job Talk" column for the Miami Herald.

### Users Review

From reader reviews:

**Willie Collier:**

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Many author can inspire all their reader with their story or even their experience. Not only situation that share in the ebooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Management: Leading People and Organizations in the 21st Century (2nd Edition).
