Music: A Very Short Introduction By Nicholas Cook

What is music? How is it constructed? How is it consumed? Why do you enjoy it at all? In *Music: A Very Short plays Introduction*, Nicholas Cook invites us to really think about music and the role it plays in our lives and our ears. Drawing on a number of accessible examples, the author prompts us to call on our own musical experiences in order to think more critically about the roles of the performers and the listener, about music as a commodity and an experience, what it means to understand music, and the values we ascribe to it.

This very short introduction, written with both humor and flair, begins with a sampling of music as human activity and then goes on to consider the slippery phenomenon of how music has become an object of thought. Covering not only Western and classical music, Cook touches on all types from rock to Indonesian music and beyond. Incorporating musical forms from every continent, *Music* will make enjoyable reading for beginner and expert alike.

About the Series: Combining authority with wit, accessibility, and style, **Very Short Introductions** offer an introduction to some of life's most interesting topics. Written by experts for the newcomer, they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics, from philosophy to Freud, quantum theory to Islam.

Users Review

From reader reviews:

Anita Pfeifer:

Why? Because this Music: A Very Short Introduction is an unordinary book that the inside of the publication waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content within easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of advantages than the other book possess such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Victor Willis:

Are you kind of busy person, only have 10 as well as 15 minute in your moment to upgrading your mind skill or thinking skill also analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short time to read it because this time you only find reserve that need more time to be go through. Music: A Very Short Introduction can be your answer because it can be read by you actually who have those short free time problems.

Omer Brown:

Is it an individual who having spare time then spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Music: A Very Short Introduction can be the reply, oh how comes? A fresh book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Hoa Gilkey:

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the very best book for you, science, amusing, novel, or whatever by searching from it. It is known as of book Music: A Very Short Introduction. You can contribute your knowledge by it. Without leaving behind the printed book, it can add your knowledge and make an individual happier to read. It is most important that, you must aware about e-book. It can bring you from one destination for a other place.
