Questioning Slavery By James Walvin

For the best part of three centuries the material well-being of the western world was dependent on slavery. Yet these systems were mainly brought to a very rapid end. This text surveys the key questions of slavery, and traces the arguments which have swirled around its history in recent years. The latest findings on slavery are presented, and a comparative analysis of slavery in the English-speaking Americas is offered.

Editorial Review

Review

"Beginning students will gain some general information from the book's well-written essays...."

-David Northrup, Boston College

..."finely crafted... ...very handy for provocative classroom discussion."

-"Journal of American Ethnic History

"The author has succeeded admirably, in slightly less than two hundred pages of text, in exploring the origins of slavery, the beginnings of racism, the impact of gender on enslavement, patterns of control and resistance, the emergence of an independent slave culture, and the ultimate victory of antislavery over the Western Hemisphere's planter class. "Questioning Slavery demonstrates the critical importance of African slavery, not simply to the United States, but to the entire world....This book is a welcome addition to the field of slavery studies and is an excellent introduction to the field."

- "Journal of American History, 6/98

"A thoughtful history which makes good use of the abundant new scholarship on the English-speaking settlements of the Americas."

-"Book News, Inc., 9/97

"Walvin's latest examination of slavery in the English-speaking Americas is especially valuable for scholars interested in the broader context of the institution.... The examination itself is refreshingly jargon-free and will prove accessible and valuable to American Studies departments."

-"American Studies International

About the Author

James Walvin is Professor of History at the University of York.

Users Review

From reader reviews:

Kim Duncan:

Reading can called thoughts hangout, why? Because while you are reading a book specifically book entitled Questioning Slavery the mind will drift away through every dimension, wandering in every aspect that maybe unknown for but surely will end up your mind friends. Imaging each word written in a book then become one contact form conclusion and explanation in which maybe you never get just before. The Questioning Slavery giving you yet another experience more than blown away the mind but also giving you useful details for your better life on this era. So now let us present to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Wilma Blue:

Many people spending their time frame by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to invest your whole day by examining a book. Ugh, do you think reading a book can actually hard because you have to bring the book everywhere? It all right you can have the e-book, having everywhere you want in your Smartphone. Like Questioning Slavery

which is obtaining the e-book version. So , why not try out this book? Let's view.

Elaine Moore:

Is it you who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Questioning Slavery can be the answer, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Mellisa Holden:

In this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple way to have that. What you have to do is just spending your time very little but quite enough to get a look at some books. One of the books in the top listing in your reading list is usually Questioning Slavery. This book which can be qualified as The Hungry Slopes can get you closer in becoming precious person. By looking upward and review this publication you can get many advantages.
