## **The Endangered Sex: Neglect of Female Children in Rural North India (Gender Studies)** By Barbara D. Miller

This revised edition of a book originally published in 1981 studies the power of a culture that shapes family attitudes toward children. Miller herein determines how and why the treatment of children in a certain part of Northern India is based upon their gender. The ritualistic practice of female infanticide is presented with ethnographic depth and accuracy.

### **Editorial Review**

#### **Review**

‘Barbara Miller's book, The Endangered Sex: Neglect of Female Children in Rural India, is one of the most powerful books I have read on the subject in recent times ... It is meticulously researched and a very readable book. There is almost no aspect of the subject that has not been covered by the author ... it is a book to be taken very seriously.’

The Book Review, Vol.XXI Number 8

#### **About the Author**

Barbara D. Miller, Director, Women's Studies Program, George Washington University.

### **Users Review**

#### **From reader reviews:**

##### **Brian Grant:**

What do you regarding book? It is not important with you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Every individual has many questions above. They have to answer that question due to the fact just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this particular The Endangered Sex: Neglect of Female Children in Rural North India (Gender Studies) to read.

##### **James Drennan:**

Information is provisions for folks to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is within the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Endangered Sex: Neglect of Female Children in Rural North India (Gender Studies) as your daily resource information.

##### **Valerie Herrera:**

Often the book The Endangered Sex: Neglect of Female Children in Rural North India (Gender Studies) has a lot details on it. So when you read this book you can get a lot of gain. The book was authored by the very famous author. Tom makes some research just before write this book. That book very easy to read you can get the point easily after looking over this book.

**Anita Rodriguez:**

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Endangered Sex: Neglect of Female Children in Rural North India (Gender Studies) can make you experience more interested to read.
