The Mughal Throne By Abraham Eraly

A history of the great Mughal rulers of India, one of the world's greatest empires.

In December 1525 Babur, the great grandson of the Mongol conqueror Tamberlaine, crossed the Indus river into the Punjab with a modest army and some cannon. At the battle of Panipat five months later he routed the mammoth army of the Afghan ruler of Hindustan. Mughal rule in India had begun. It was to continue for over three centuries, shaping India for all time. Full of dramatic episodes and colourful detail, THE MUGHAL EMPIRE tells the story of one of the world's great empires.

Editorial Review

From Booklist

This meticulously researched book that recounts late medieval Indian history--from 1526 to 1707--is part of a four-volume study that will cover the history of India from the beginning up to 1858. Chronologically, this is the third volume, although it is the first to be published. The author describes in detail two of the many battles the Mughals fought and depicts the everyday life of the six rulers and the people, saying that his objective is "to portray life rather than merely to chronicle history." Eraly discusses the camp followers, civilians fleeing the approaching armies, and soldiers suffering from thirst and hunger as they cross deserts and snowbound mountain passes. He tells of elephants and beautiful women exchanged as spoils of war and recounts the rulers' taste in clothes, perfume, liquor, wine, tobacco, opium, and concubines. This account of the Mughal conquest of India is essential in understanding that period of history. *George Cohen*

Review

An excellent introduction to this period and the sometimes forgotten moment of multi-cultural assimilation it represented...a superbly readable narrative...The Mughal Throne provides an excellent introduction to the first six Mughal emperors. From Babur, born in 1483, to Aurangzeb, who died in 1707, Eraly gives a richly readable account of one of the most crucial and misrepresented periods of Indian history? **Sunday Times**

The story of Mughal India is intensely dramatic and colourful and Eraly's lively text does justice to its subject - exciting reading? **Daily Telegraph**

Fans of Starkey or Schama should now look east with Abraham Eraly... This edition improves on the hardback with a sumptuous selection of Mughal art.? **BOYD TONKIN**

About the Author

Abraham Eraly, who was born in Kerala, has taught Indian history in Madras and the United States. He is the author of *Gem in the Lotus: The Seeding of Indian Civilisation*. He lives in Madras.
