Editorial Review

About the Author

Rose Gordon is a *USA Today* bestselling author and writer of eight bestselling, unusually unusual historical romances that have been known to include scarred heroes, feisty heroines, marriage-producing scandals, far too much scheming, naughty literature and always a sweet happily-ever-after. When not escaping to another world via reading or writing a book, she spends her time chasing two young boys around the house, being hunted by wild animals, or sitting on the swing in the backyard where she has to use her arms as shields to deflect projectiles AKA: balls, water balloons, sticks, pinecones, and anything else one of them picks up to hurl at his brother who just happens to be hiding behind her.
