### Zeno's Conscience: A Novel By Italo Svevo

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected—and unexpectedly happy—marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, **Zeno's Conscience** is a miracle of psychological realism.

### Editorial Review

#### Review

“Svevo’s masterpiece . . . [in] a fresh translation by the dean of Italian literary translators.” —*Los Angeles Times*

“An excellent new rendering [of a] marvellous and original book.” —James Wood, *London Review of Books*

“A masterpiece, a novel overflowing with human truth in all its murkiness, laughter and terror, a book as striking and relevant today as when it was first published, and a book that is in every good way—its originality included—like life.” —Claire Messud, *The New Republic*

“Hilarious. . . . Effortlessly inventive and eerily prescient. . . . William Weaver . . . updates the novelist’s idiosyncratic prose with great affection.” —*The Atlantic Monthly*

“An event in modern publishing. For the first time, I believe, in English, we get the true, dark music, the pewter tints, of Svevo’s great last novel. . . . [Svevo is] a master.” —Joan Acocella, *The New Yorker*

“[An] exhilarating and utterly original novel. . . . Weaver’s version strikes one as excellent.” —P. N. Furbank, *Literary Review*

“One of the great comic novels of the twentieth century. . . . [Svevo is] perhaps the most significant Italian modernist novelist.” —*The Times Literary Supplement*

“[A] neglected masterpiece. Seventy-five years old, the novel feels entirely modern.” —*The Boston Globe*

“A reason for celebration. . . . If you have never read Svevo, do so as soon as you can. He is beautiful and important.” —*New Statesman*

“One of the indispensable 20th-century novels. . . . A revolutionary book, and arguably (in fact, probably) the finest of all Italian novels.” —*Kirkus Reviews*

“No one has done more to make modern Italian literature available in English than William Weaver. . . . [His new translation is] scrupulously accurate.” —*Anniston Star*

#### From the Inside Flap

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected-and unexpectedly happy-marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once

unblinking and compassionate, Zeno's Conscience" is a miracle of psychological realism.

## Users Review

### From reader reviews:

#### Michael Hamrick:

Book is usually written, printed, or descriptive for everything. You can know everything you want by a e-book. Book has a different type. As it is known to us that book is important thing to bring us around the world. Beside that you can your reading skill was fluently. A publication Zeno's Conscience: A Novel will make you to possibly be smarter. You can feel more confidence if you can know about every thing. But some of you think which open or reading any book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you searching for best book or acceptable book with you?

#### Neil Calvert:
