From *New York Times* bestselling author Joan Johnston, the thrilling seventh *Bitter Creek* novel featuring passion and intrigue mixed with an explosive, spine-tingling tale of murder, wrongful imprisonment, and a woman who counts no cost too high to see a killer brought to justice.

FBI Special Agent Breed Grayhawk has the hottest sex in his life with a stranger who calls herself Grace Smith, only to discover early the next morning that she's a convicted double murderer who broke her parole a year ago and disappeared. Now she's his prime suspect in an assassination plot against the US president.

Grace Caldwell—a.k.a. Grace Smith—is determined to find the killer who framed her for the murder of her father and stepmother—and make him pay. She burgles the home of her #1 suspect and nets a surprising haul: a hot-pink, silk-covered diary—the record of a sex-addicted wife's adventures—which suggests that Grace's top suspect is a serial killer. But her theft has been caught on tape, and the man she's been chasing becomes the hunter...with Grace as his prey.

### Editorial Review

From Publishers Weekly

Ten years after Merle Raye Finkel, a terrified runaway girl, is wrongfully convicted of killing her abusive father in bestseller Johnston's exciting seventh Bittercreek romantic thriller (after *The Next Mrs. Blackthorne*), Merle's paroled from a youth facility near Austin, Tex., and assumes a new identity as Grace Caldwell. Grace's hunt for the true killer, which involves examining all cases her Austin police detective dad, Big Mike Finkel, left unsolved, leads to a surprising suspect, FBI Assistant Special Agent Vincent Harkness, who's overseeing security for an upcoming visit of the U.S. president to the University of Texas at Austin campus. Grace hooks up with FBI Supervisory Special Agent Breed Grayhawk in hopes of learning more about his boss, Harkness. When Grace's snooping uncovers a diary by Harkness's wife detailing her sex addict antics and worse, Grace winds up accused of plotting to assassinate the president. A less successful subplot about Texas Ranger Jack McKinley, Breed's best friend, provides a cliffhanger that sets up the author's next nail-biter. (Mar.)
