Economics Today: The Macro View (17th Edition) By Roger LeRoy Miller

Written for students taking the principles of economics course. By presenting ideas clearly, at an accessible level, and in the context of newsworthy applications, *Economics Today: The Macro View* is also a valuable resource for professionals seeking a current, real-world introduction to economics.

⌵

***Economics Today* —Bringing the Real World to Your Students**

⌵

Students learn best when they see concepts applied to examples from their everyday lives. This new edition of *Economics Today* covers leading-edge issues while lowering barriers to student learning. The text relentlessly pursues the fundamental objective of showing students how economics is front and center in *their* own lives while providing them with many ways to evaluate their understanding of key concepts covered in each chapter.

⌵

Each chapter begins and ends with an *Issues and Applications* feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab®, which includes assessment questions that tie to these *Issues and Applications*, as well as ABC News video clips. With **MyEconLab**, students can continue working problems online and receive personalized tutorial resources. Visit MyEconLab for more information.

⌵

Note: If you are purchasing the standalone text (ISBN: 0132948893) or electronic version, MyEconLab does not come automatically packaged with the text. To purchase MyEconLab, please visit: www.myeconlab.com or you can purchase a package of the physical text + MyEconLab by searching the Pearson Higher Education web site. MyEconLab is not a self-paced technology and should only be purchased when required by an instructor.
