### Memories of Another Day By Harold Robbins

From the depths of the poverty-stricken West Virginia coal mines to the heights of power as one of the nation's most prominent and feared labor organizers, "Big Dan" Huggins is a hero worthy of Harold Robbins' attention. Recognized as one of the world's most captivating storytellers, Robbins has written what is arguably the most significant book ever published about the rise of the labor unions in America.

Born to a life of violence and tragedy, Dan becomes one of the most powerful and dangerous labor organizers in the country—at the expense of his personal relationships. He's a man who embraced violence, fierce ambition, lust and a deep hunger for justice even as he accumulated personal wealth, fame and power. The novel opens at Dan's funeral, where his estranged son Jonathan is relieved by his father's death. But Jonathan is quickly thrust into his father's role and must return to his father's origins to better understand the man who shaped his past and continues to shape his future. Looking into the lives and childhoods of both father and son, *Memories of Another Day* gives a close look into the perks—and costs—of power.

Robbins' gift for combining popular fiction with the most pertinent subjects of the twentieth century allowed him to create a snapshot in time. In this novel, Robbins creates a magnificent epic portrait of fifty years of the bitter birth and tarnished maturity of American labor. Relevant, respectful, and engaging, *Memories of Another Day* proves once again why Harold Robbins' books have sold more copies than almost any other American writer in history.

### Editorial Review

#### About the Author

Harold Robbins (1916–1997) is one of the bestselling American fiction writers of all time, ranking 5th on the World's Bestselling Fiction Author List just behind William Shakespeare and Agatha Christie. He wrote over 25 bestselling novels, sold more than 750 million copies in 42 languages and spent over 300 weeks combined on The New York Times bestsellers list. His books were adapted into 13 commercially successful films and also television series that garnered numerous Oscar®, Golden Globe®, and Primetime Emmy® nominations starring Steve McQueen, Elvis Presley, Laurence Olivier, Bette Davis, Robert Duvall, Tommy Lee Jones, and more. The self-proclaimed “world’s best writer in plain English,” Robbins wrote novels that resonated with audiences due to their graphic depictions of sex, violence, power, and drugs, and the multilayered complexities of his characters, as evidenced by his bestselling novels *Never Love a Stranger*, *The Carpetbaggers*, *Where Love Has Gone*, and *The Adventurers*. He once said in an interview: “People make their own choices every day about what they are willing to do. We don’t have the right to judge them or label them. At least walk in their shoes before you do.” Robbins’ personal life was as fascinating to the public as his novels. An enthusiastic participant in the social and sexual revolution of the 1960s, Robbins cultivated a “playboy” image and maintained friendships with stars including Frank Sinatra, Clint Eastwood, Tony Bennett, Sammy Davis, Jr., Dino De Laurentiis, Robert Evans, Ringo Starr, Barbara Eden, Lena Horne, and Quincy Jones, and was one of the first novelists to be prominently featured in gossip magazines, earning him the title of “The World’s First Rock Star Author.”

### Users Review

#### From reader reviews:

##### **Sophia Myers:**

Information is provisions for people to get better life, information these days can get by anyone on everywhere. The information can be a information or any news even an issue.
