**Running Out of Time** By Margaret Peterson Haddix

## Run For Your Life

Jessie lives with her family in the frontier village of Clifton, Indiana, in 1840 -- or so she believes. When diphtheria strikes the village and the children of Clifton start dying, Jessie's mother reveals a shocking secret -- it's actually 1996, and they are living in a reconstructed village that serves as a tourist site. In the world outside, medicine exists that can cure the dread disease, and Jessie's mother is sending her on a dangerous mission to bring back help.

But beyond the walls of Clifton, Jessie discovers a world even more alien and threatening than she could have imagined, and soon she finds her own life in jeopardy. Can she get help before the children of Clifton, and Jessie herself, run out of time?

## Editorial Review

From School Library Journal

Grade 5-8?This absorbing novel develops an unusual premise into the gripping story of a young girl's efforts to save her family and friends from a deadly disease. Jessie Keyser, 13, believes that the year is 1840. In truth, she and her family, along with a small group of others, live in a reconstructed village viewed by unseen modern tourists and used as an experimental site by unethical scientists. Jessie discovers the truth when her mother asks her to leave the village and seek medical help for the diphtheria epidemic that has struck the children of the community. Jessie must cope with the shock of her discovery; her unfamiliarity with everyday phenomena such as cars, telephones, and television; and the unscrupulous men who are manipulating the villagers. The action moves swiftly, with plenty of suspense, and readers will be eager to discover how Jessie overcomes the obstacles that stand in her way. While she is ultimately successful, the ending is not entirely a happy one, for several children have died and others are placed in foster care to await resolution of the complex situation. This realistically ambiguous ending reflects the author's overall success in making her story, however far-fetched, convincing and compelling. Haddix also handles characterization well; even secondary characters who are somewhat sketchily drawn never descend into stereotype. This book will appeal to fans of time-travel or historical novels as well as those who prefer realistic contemporary fiction, all of whom will look forward to more stories from this intriguing new author. ?Lisa Dennis, The Carnegie Library of Pittsburgh

From [Booklist](#)

Gr. 4<sup>+</sup>-7. What if the costumed workers at historical sites really lived there, and tourists watched them through hidden cameras rather than from pathways? What if those workers and families were not allowed to leave, ever? Jessie lives in the 1840s, or so she believes until her mother sends her on an escape mission outside the fence, where it's 1996. The suspense and the cataloging of differences as they appear to Jessie are the best parts here. The resolution of the plot, which includes the revelation that the inhabitants have been used for scientific experimentation, comes too fast, but the quirky twist on time-travel fiction will keep the attention of readers. *Mary Harris Veeder*

Review

Joan Lowery Nixon *Running Out of Time* is a highly imaginative, absolutely terrific first novel.

*School Library Journal* (starred review) Absorbing...gripping...convincing and compelling. Fans of time-travel or historical novels...will look forward to more stories from this intriguing new author.

## Users Review

**From reader reviews:**

**Jody Watson:**

The book *Running Out of Time* will bring you to the new experience of reading the book. The author style to explain the idea is very unique. In the event you try to find new book to read, this book very ideal to you. The book *Running Out of Time* is much recommended to you to learn. You can also get the e-book in the official web site, so you can more easily to read the book.

**Pearl Young:**

This Running Out of Time is great guide for you because the content and that is full of information for you who always deal with world and possess to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can state no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Running Out of Time in your hand like having the world in your arm, details in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen second right but this e-book already do that. So , this really is good reading book. Heya Mr. and Mrs. active do you still doubt that?

**Henrietta Belcher:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Running Out of Time can make you really feel more interested to read.

**Benjamin Herrera:**

Many people said that they feel bored stiff when they reading a guide. They are directly felt the idea when they get a half elements of the book. You can choose typically the book Running Out of Time to make your own personal reading is interesting. Your own personal skill of reading proficiency is developing when you just like reading. Try to choose very simple book to make you enjoy you just read it and mingle the opinion about book and reading through especially. It is to be first opinion for you to like to start a book and go through it. Beside that the reserve Running Out of Time can to be your brand new friend when you're feel alone and confuse with the information must you're doing of that time.
