Schein's Common Sense Emergency Abdominal Surgery: An Unconventional Book for Trainees and Thinking Surgeons From Brand: Springer

Emergency Abdominal Surgery is a battleground for the surgeon - providing character-building experiences, and opportunities for triumph and disaster. In the third edition of this 'simple' book, emergency abdominal surgery is discussed in an informal and no nonsense fashion - as practiced in the 'trenches' of the ER and the OR. The preferred approach for a given situation is discussed in context; it has to fulfill certain prerequisites: save lives, decrease morbidity, be cost effective and be performed correctly.

Editorial Review

Review

From the reviews of the third edition:

“The title describes this book perfectly. This is a no-nonsense approach to the sometimes very difficult situations in general surgery. ... The authors describe their experiences in tough situations of patient care for residents and young attendings. ... the historical quotes add a good amount of insight and interest. I have not come across another book like this. ... Focused on the real situations that surgeons come across, the book answers the questions that are not addressed in the major textbooks.” (Robert A. Hanfland, Doody’s Review Service, September, 2010)

From the Back Cover

Emergency Abdominal Surgery is a battleground for the surgeon - providing character-building experiences, and opportunities for triumph and disaster. In the third edition of this 'simple' book, emergency abdominal surgery is discussed in an informal and no nonsense fashion - as practiced in the 'trenches' of the ER and the OR. The preferred approach for a given situation is discussed in context; it has to fulfill certain prerequisites: save lives, decrease morbidity, be cost effective and be performed correctly.

Users Review

From reader reviews:

Linda Long:

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want attract knowledge just go with education and learning books but if you want truly feel happy read one using theme for entertaining like comic or novel. The actual Schein's Common Sense Emergency Abdominal Surgery: An Unconventional Book for Trainees and Thinking Surgeons is kind of reserve which is giving the reader erratic experience.

Gerri Townsend:

Reading a guide can be one of a lot of task that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a book will give you a lot of new data. When you read a e-book you will get new information due to the fact book is one of a number of ways to share the information or perhaps their idea. Second, studying a book will make you actually more imaginative. When you examining a book especially fiction book the author will bring one to imagine the story how the people do it anything. Third, you are able to share your knowledge to other people. When you read this Schein's Common Sense Emergency Abdominal Surgery: An Unconventional Book for Trainees

and Thinking Surgeons, you may tell your family, friends and soon about your reserve. Your knowledge can inspire different ones, make them reading a reserve.

Richard Davy:

Is it you who having spare time then spend it whole day by watching television programs or just resting on the bed? Do you need something totally new? This Schein's Common Sense Emergency Abdominal Surgery: An Unconventional Book for Trainees and Thinking Surgeons can be the solution, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

Tami Anders:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information from a book. Book is created or printed or descriptive from each source in which filled update of news. Within this modern era like currently, many ways to get information are available for a person. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just searching for the Schein's Common Sense Emergency Abdominal Surgery: An Unconventional Book for Trainees and Thinking Surgeons when you required it?
