Editorial Review

About the Author

Alexis Munier relocated from California to Europe in her mid-twenties and began teaching English at world-renown language schools in Russia, Slovenia, and Italy. After dropping her valley girl accent, she even taught courses in British English that could rival Professor Higgins's. Now a writer and opera singer based in Switzerland, Ms. Munier spends summers in London, bickering with overly polite Black Cab drivers and defending the virtues of American spelling.
