I was truly appreciative of the work and effort both Peter and Ron put into UP FRONT AND IN CONTROL. The tools and guidance materials were really beneficial and of great value. Not many authors give away as much useful information, as well as permission to use the materials. Thanks so much, I look forward to expanding my professional growth by using your materials. A great book. Gary Summers. Senior Managing Consultant Public Safety Consultants Australia --email

Dear Peter I wanted to thank you for your fabulous books UP FRONT IN CONTROL and YOU CAN BE A WEDDING MC. I first heard you speak at a Business Breakfast Group about 4 years ago and I didn't realise the potential that emceeing and comparing had to offer in business. The content has definitely helped me expand my confidence and most importantly the how to do . The many little things that are necessary to create a magical event. Anyone wanting to provide professional services as a Master of Ceremonies owes it to themselves and their business to invest in a copy of it. I recommend this book to anyone who is taking on the responsibility of MC, and wishes to contribute to the success of the event. Yours Sincerely Lili Mustakov, Lili Management Solutions --email

Excellent! A comprehensive guide to all aspects of being a successful master of ceremony. It is practical, effective and easy to read. Every presenter or MC should have this in their personal library. I got a lot of practical advice that I was able to put into place immediately. I chaired a professional development seminar for celebrants here on the north coast and it was invaluable. Wendy Haynes JP, Coffs Harbour, NSW --email

About the Author

Pete Miller was born in Sydney Australia and attended The Kings School, Parramatta. After graduation from The Drama Studio Sydney, Pete acted in musicals and on TV soaps moving into the role of a humorous Master of Ceremonies at corporate conferences and eventually weddings. Pete published his first audio product 5 EASY STEPS TO A FANTASTIC VOICE in 1996 and followed up with the best-selling manual YOU CAN BE A WEDDING MC and the guide to business MC work UP FRONT IN CONTROL in 2000. Since then, there has been a steady stream of audio, video and written material on public speaking, the role of the emcee, and selling from the stage. His obsession is to ensure that every live event - be it a 3 day industry conference, educational business seminar, the opening of a new premises, special event awards

night or prestigious wedding reception - be both organised and entertaining. Pete Miller has won the 'MC of the Year' award three times; firstly in 1998, then again in 2010 and 2011 (ABIA). Nearly every time Pete is the Master of Ceremonies at a wedding, he is recognised from his appearance as the lead presenter on Foxtel's 'Wedding TV' show. After getting double-booked on the same day, Pete started running workshops to train speakers and presenters to fill-in when he was already unavailable. This has lead to an international professional multi-lingual wedding MC agency business. Beginning with WeddingMC.com.au, the business is expanding to include Canada, USA, England, New Zealand and South Africa. Pete is still retained by some of Australia's most successful speakers to coach them in selling from the stage.
