Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) By Tixa Serge

Le tome 1 est organisé en sept chapitres (cou, tronc et sacrum, épaule, bras, coude, avant-bras, poignet et main) et le tome 2 est organisé en cinq chapitres (Hanche, Cuisse, Genou, Jambe et Cheville et Pied). Ces atlas présentent de façon précise et concrète les différentes structures anatomiques : os, muscles, tendons et ligaments, nerfs et vaisseaux. Les 2 ouvrages présentent plus de 120 illustrations anatomiques en couleurs et plus de 900 photographies en noir et blanc, toutes prises en situation 'sur le vivant'. Chaque photographie, particulièrement soignée, est accompagnée d'un texte décrivant la technique d'approche (TA), qui permet au lecteur de retrouver immanquablement la structure recherchée. Chaque fois que nécessaire, les rappels anatomiques indispensables à une bonne application des techniques d'approche (insertions, actions, innervation) sont mentionnés.

Editorial Review

Users Review

From reader reviews:

Byron Sierra:

Do you one of people who can't read pleasant if the sentence chained inside the straightway, hold on guys this kind of aren't like that. This Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) book is readable by you who hate the perfect word style. You will find the facts here are arrange for enjoyable examining experience without leaving actually decrease the knowledge that want to provide to you. The writer regarding Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) content conveys thinking easily to understand by many people. The printed and e-book are not different in the written content but it just different by means of it. So , do you continue to thinking Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) is not loveable to be your top record reading book?

Cary Barrett:

People live in this new moment of lifestyle always attempt to and must have the free time or they will get wide range of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not really a robot. Then we ask again, what kind of activity have you got when the spare time coming to you actually of course your answer can unlimited right. Then ever try this one, reading guides. It can be your alternative in spending your spare time, the particular book you have read is definitely Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition).

Lizzie Chandler:

Is it you actually who having spare time after that spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) can be the answer, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Sally Kim:

A lot of reserve has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the most effective book for you, science, comedy, novel, or whatever through searching from it. It is identified as of book Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition). You can add your knowledge by it. Without departing the printed book, it may add your knowledge and make a person happier to read. It is most important that, you must aware about book. It can bring you from one place

to other place.
