Last Descendants: An Assassin's Creed Novel Series By Matthew Kirby, Matthew J. Kirby

Nothing in Owen's life has been right since his father died in prison, accused of a crime Owen is certain he didn't commit. Monroe, the IT guy at school, might finally bring Owen the means to clear his father's name by letting him use an Animus—a device that lets users explore genetic memories buried within their own DNA. During a simulation, Owen comes uncovers the existence of a powerful relic long considered a legend—the Trident of Eden. Now two secret organizations will stop at nothing to take possession of this artifact—the Brotherhood of Assassins and the Templar Order. It becomes clear the only way to save himself is to find the Trident first.

Under the guidance of Monroe, Owen and a group of other teenagers go into a memory they all share within their DNA: the 1863 Draft Riots in New York City. Owen and his companions will find themselves tested on the violent streets of New York, and their experiences in the past will have far-reaching consequences in the present.

Editorial Review

From School Library Journal

Gr 7 Up—Usually marketed toward adults, Ubisoft's popular Assassin's Creed video game franchise takes a stab at attracting young adult audiences with the first title in a planned series. Fans of the franchise will wonder what this title is doing in the youth section, while the target audience will rejoice that there is finally something for them in this thought-provoking historical fiction series. Just like the game, this volume follows the main characters into the Animus (think plugging into the Matrix), where they can relive parts of their ancestors' lives through their DNA. This new story begins by following high school friends Owen and Javier as they sneak out one night to explore an Animus in a shady bus with their school's IT guy, Monroe. He has manipulated the Animus in a way that will surprise seasoned fans and keep them hooked until the somewhat predictable cliff-hanger ending. True to the franchise, many characters are diverse in terms of culture, belief, and sexual orientation; however, their development is a bit flat and will hopefully be fleshed out in future installments. Newcomers to the series may be left puzzled at times, but fans of science fiction may be able to pick up on some of the technical lingo. **VERDICT** This will appeal to reluctant readers and gaming enthusiasts.—Amanda Schiavulli Finger Lakes Library System, NY

About the Author

Matthew J. Kirby is the critically acclaimed author of the middle-grade novels *Icefall*, which won the Edgar Award for Best Juvenile Mystery and the PEN Literary Award for Children's Literature; *The Clockwork Three*, which was named a *Publishers Weekly* Flying Start; *The Lost Kingdom*; *The Quantum League: Spell Robbers*; and *Cave of Wonders*, the fifth book in the Infinity Ring series. He was born in Utah and grew up in Maryland, California, and Hawaii. Matthew is currently at work on his next novel.

Users Review

From reader reviews:

Amy Mueller:

Book is to be different for every single grade. Book for children until adult are different content. To be sure that book is very important for us. The book Last Descendants: An Assassin's Creed Novel Series had been making you to know about other information and of course you can take more information. It is very advantages for you. The publication Last Descendants: An Assassin's Creed Novel Series is not only giving you much more new information but also to get your friend when you feel bored. You can spend your spend time to read your book. Try to make relationship using the book Last Descendants: An Assassin's Creed Novel Series. You never really feel lose out for everything should you read some books.

Denise Zimmerman:

The book with title Last Descendants: An Assassin's Creed Novel Series has lot of information that you can understand it. You can get a lot of help after read this book. That book exist new expertise the information that exist in this e-book represented the condition of the world now. That is important to yo7u to understand how the improvement of the world. This kind of book will bring you in new era of the globalization. You can

read the e-book in your smart phone, so you can read the item anywhere you want.

Michael Crew:

Precisely why? Because this Last Descendants: An Assassin's Creed Novel Series is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will jolt you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Hilary Rangel:

Playing with family in a very park, coming to see the ocean world or hanging out with close friends is thing that usually you have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Last Descendants: An Assassin's Creed Novel Series, you may enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its known as reading friends.
