Skulduggery Pleasant: Playing with Fire (Skulduggery Pleasant series Book 2) By Derek Landy

Skulduggery and Valkyrie are facing a new enemy: Baron Vengeous, who is determined to bring back the terrifying Faceless Ones and is crafting an army of evil to help him. Added to that, Vengeous is about to enlist a new ally (if he can raise it from the dead): the horrible Grotesquery, a *very* unlikable monster of legend.

Once Vengeous is on the loose, dead bodies and vampires start showing up all over Ireland. Now pretty much everybody is out to kill Valkyrie, and the daring detective duo faces its biggest challenge yet.

But what if the greatest threat to Valkyrie is just a little closer to home?

Look for Scepter of the Ancients

Editorial Review

From School Library Journal

Grade 5–9—In this sequel to *Skulduggery Pleasant* (HarperCollins, 2007), 13-year-old Valkyrie Cain and her mentor, the living skeleton detective, are faced with the return of the evil Baron Vengeous, who has been freed from prison. Vengeous is trying to reanimate the Grotesquery, a monster made up of pieces of a variety of evil creatures. If his scheme is successful, the Faceless Ones, "the terrible dark gods, exiled from this world," will return. Faced with treachery within the ranks of good magicians, Valkyrie and Skulduggery must rely on their own Elemental magical powers and a few trusted allies to confront Vengeous's magic and helpers, such as the vampire Dusk and Billy-Ray Sanguine, who has the ability to tunnel underground. One magical action sequence follows another as Valkyrie must find the courage to face what seem to be insurmountable foes. Humorous conversations between Valkyrie and Skulduggery add flavor to this generally dark and often-violent novel, as does the girl's appreciation of the dichotomy between her evil-fighting life and that of a quiet student lived by her reflection while she's off saving the world. Fans of the first book will particularly enjoy the new schemes and evil creatures found here. While the back-and-forth between Skulduggery and Vengeous's forces repeats a few too many times, readers looking for a mix of magic and action will find it here.—*Beth L. Meister, Milwaukee Jewish Day School, WI*

From Booklist

In this sequel to *Skulduggery Pleasant* (2007), skeleton-detective Skullduggery and his apprentice, Valkyrie Cain (aka 13-year-old Stephanie Edgley), track down the recently escaped Baron Vengeous, who plans to animate the Grotesquery, a vicious monster assembled from a variety of fearsome beasts. The Baron has finally located the remaining ingredients necessary to complete his work—the late Lord Vile's armor and some blood from one of the Ancients. There's not much character development, but Landy, who has also written horror screenplays, is in his element here. His style is cinematic, and the action nonstop. Skullduggery's subtle humorous asides (some referencing classic horror films and stories) lighten the mood, and magical details, such as Valkyrie's ability to throw fireballs, add to the fun. Fans of the earlier title as well as fantasy buffs pining for the now-vanquished Voldemort will enjoy this tale of good versus evil. A final scene suggests another installment is in the works. Grades 5–8. --Kay Weisman

Review

Landy gives the term "deadpan humor" a whole new meaning; readers who prefer their heroes laconic and their action nonstop are in for a wild ride. -- *Kirkus Reviews (starred)*

From reader reviews:

Teddy Mendoza:

What do you ponder on book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't want do that. You must know how great along with important the book *Skulduggery Pleasant: Playing with Fire* (*Skulduggery Pleasant* series Book 2). All type of book could you see on many sources. You can look for the

internet options or other social media.

Tammara Dejesus:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want attract knowledge just go with schooling books but if you want feel happy read one together with theme for entertaining including comic or novel. The actual Skulduggery Pleasant: Playing with Fire (Skulduggery Pleasant series Book 2) is kind of book which is giving the reader unforeseen experience.

William Ochoa:

The reason why? Because this Skulduggery Pleasant: Playing with Fire (Skulduggery Pleasant series Book 2) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will surprise you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your proficiency and your critical thinking method. So , still want to hold up having that book? If I have been you I will go to the publication store hurriedly.

Lena Robertson:

A lot of people said that they feel weary when they reading a guide. They are directly felt it when they get a half parts of the book. You can choose the particular book Skulduggery Pleasant: Playing with Fire (Skulduggery Pleasant series Book 2) to make your own personal reading is interesting. Your current skill of reading ability is developing when you like reading. Try to choose straightforward book to make you enjoy to study it and mingle the impression about book and looking at especially. It is to be first opinion for you to like to wide open a book and read it. Beside that the e-book Skulduggery Pleasant: Playing with Fire (Skulduggery Pleasant series Book 2) can to be your new friend when you're feel alone and confuse with what must you're doing of that time.
