"A must read...Sun Tzu for Women" shows how core attributes from the classic "The Art of War" can guide women climbing the corporate ladder.

-Today's Chicago Woman

"After reading many books (mostly business-oriented) that interpret Sun Tzu's principles, we've finally found one we can recommend (to men as well as women!) This book contains all of the essential wisdom of the original text - but is way more easy and interesting to read."

-Good Works Book Club

"The author takes Sun Tzu's strategies and tweaks them so they are more female-friendly. While that may sound sexist, it's actually the opposite. The result is a book that provides dozens of straightforward tips on how to be more successful in business, and to understand more completely what your competition is doing and -- best of all -- how to beat them at their own game." -Times Union

"Whether it's relying on networking skills to win allies or maneuvering to gain a decisive advantage, the author shows through dozens of case studies from prominent women in business how to overcome the odds, defeat opponents, and forge successful careers." -The Lipstick Journal
