Editorial Review

Review

Among the few indispensable, common-property books upon which Western culture can be founded . . . It will be a mistake if this volume is merely bought for a child; it should be, first and foremost, an educational must for adults.

W. H. Auden, *The New York Times*

Here it is, clear and fine and solid, beautifully and passionately illustrated, this one book other than the Bible that has truly made Western man.

P. L. Travers, *The New Republic*

Everyone should possess and know Grimm's Fairy Tales one of the great books of the world and no English-speaking person could do better than this edition.

Richard Adams, *The New York Times Book Review*

[A] splendid edition, admirably illustrated.

Edmund Wilson, *The New Yorker* --Wordsworth Classics
