## The Holy Land: An Oxford Archaeological Guide from Earliest Times to 1700 (Oxford Archaeological Guides) By Jerome Murphy-O'Connor

The Holy Land, as the geographic focal point of Judaism, Islam, and Christianity, has immeasurable resonance for the pilgrims it has attracted since as early as the fifth century BC. *The Holy Land* is an indispensable, illustrated guide to over 200 of the best Christian, Jewish, and Islamic sites in the City of Jerusalem and the surrounding Holy Land from earliest times to 1700. Each entry explains the history and topography of a site, as well as its function and significance. Father Jerome Murphy-O'Connor provides a brief historical outline from the Stone Age to the Modern Period, and lists sites accordingly.

*The Holy Land* presupposes little knowledge of history or archaeology and gives clear directions on how to find sites and monuments of interest--both well-known and those less familiar. With entries including the Damascus Gate, the Holy Sepulchre, the Via Dolorosa, Mount Sion, the Dead Sea, Hebron, and Jericho, this indispensable guide includes detailed maps, plans, and illustrations further illuminating these spectacular wonders.

### Editorial Review

#### Amazon.com Review

This book is an excellent choice for visitors to the Holy Land who want to take an in-depth look at the area's historical sites. Among this Oxford guide's special features are 150 site plans, maps, diagrams, and photographs; routes through the Old City of Jerusalem; a brief historical outline; and a glossary of essential terms. *Oxford Archeological Guides: The Holy Land* is also a useful source of practical advice on museum hours, suggested dress, travel and lodging contacts, as well as information on visiting desert locations such as the Judaean Desert and the hills of Elat.

The first half of the book covers sites in the city of Jerusalem, grouping them into areas for easy exploration. Maps accompany each site described. The second half of the book features an alphabetical listing--from *Abu Ghosh* to *Yehiam*--of key sites scattered throughout the Holy Land. Each site includes a reference to its position on the "Israel Touring Map" (available at bookstores in Israel), and especially recommended sites are starred or double-starred.

As an added bonus to this edition, more than 70 shaded sidebars offer a mini-anthology of ancient texts. "Not only do such documents illustrate the sort of material on which our historical knowledge is based, but their vividness and immediacy give a new dimension to the sites," writes author Murphy-O'Connor. --*Kathryn True*

#### Review

'The Oxford Archaeological Guides offer a wealth of detailed, accurate but always readable information, providing anyone who has a serious interest in archaeology with the means to derive the utmost benefit from a visit to an ancient site. They are user-friendly and highly recommended.' Paul Bahn

'Always respectful, yet never gullible or preachy, Father Murphy-O'Connor's The Holy Land is by far the best popular guide to its subject ever written. Every entry bears the indelible mark of having been written by someone who knows the place it describes, and has seen it with an expert intelligence and an open mind.'

Johm Romer

#### About the Author

**Father Jerome Murphy-O'Connor** is Professor of New Testament Studies at the École Biblique et Archéologique Française, Jerusalem. He is the author of many books, including *Paul: A Critical Life* (OUP, 1996), and *Paul and the Dead Sea Scrolls* (1990). Jerome Murphy-O'Connor has a great deal of practical experience in the field of archaeology and after living in Jerusalem for many years he has developed an intimate knowledge of sites in the Holy Land.

### **Patrick Reyes:**

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Holy Land: An Oxford Archaeological Guide from Earliest Times to 1700 (Oxford Archaeological Guides) can make you truly feel more interested to read.
