The Vow: A Novel By Denene Millner, Angela Burt-Murray, Mitzi Miller, Mitzi Miller

When three best friends come together for their sorority sister's tony wedding on New Year's Eve, they make a vow at the stroke of midnight to get married within one year. As the three women embark on their search to find their soul mates, they navigate the full-contact sport known as being a SSBFDLA (successful, single, black, female dating in L.A.) and negotiate the shark-infested waters of making a name for themselves in Hollywood.

Can Trista, the hyper-driven celebrity agent, find the time to schedule a meaningful romance? Will Amaya, the sexy starlet, convince the married hip hop-label exec she has been seeing to leave his wife and slip a ring on her finger or will the NBA star steal her heart in the final seconds? After undergoing a complete makeover, will Vivian, the jaded gossip columnist, win back the father of her child?

Set against the seductive backdrop of money, power, and sex, *The Vow* follows these women as they discover that their desire to find a husband isn't as important as finding themselves.

Editorial Review

From Publishers Weekly

Starred Review. Veteran author Millner (*What Brothers Think*, *What Sistahs Know*) has teamed with Burt-Murray and Miller (editors at *Jane* and *Teen People*, respectively) to produce an emotionally charged portrait of contemporary Hollywood with a cast of unforgettable characters. Reunited at a wedding on New Year's Eve, three 30-something sorority sisters pledge to become engaged within a year. Trista Gordon, a power hungry talent agent, will do whatever it takes to beat her politically connected colleague, Steven Banks, to a partnership. Beautiful actress Amaya Anderson, in line for her first leading role, juggles two boyfriends while focusing on toning down her flashy image. Slightly plump Vivian Evans, an entertainment journalist, remains hopelessly in love with her son's father, her ex-husband. Fortified with new skills meant to drive a man wild, the trio find their wants don't often meet those of their romantic prospects, who include a basketball star, a closeted gay attorney and a hip-hop artist. Readers will eagerly turn the pages of this edgy, sexy novel to learn what's happening next.
