## **Business, Government and Society: A Managerial Perspective, Text and Cases, 12th Edition** By John F. Steiner, George A. Steiner

Business, Government, and Society, by Steiner and Steiner, tells the story of how forces in business, government and society shape our world. While current events move rapidly over the surface of the subject matter, the underlying principles and relationships at its core lie undisturbed. The Twelfth edition of this popular textbook is equipped with new chapter opening stories and cases that reflect current concerns in a changing environment. The thorough blend of history and today's events help students understand the entire context of forces at work in business, government, and society. A new emphasis on management issues and processes allows students to apply the principles they learn to real world situations.

### **Editorial Review**

#### **About the Author**

John F. Steiner is Professor of Management at California State University, Los Angeles. He received his B.S. from Southern Oregon State College and received an M.A. and Ph.D. in political science from the University of Arizona. He has coauthored two other books with George A. Steiner, *Issues in Business and Society*, and *Casebook for Business, Government, and Society*. He is also the author of *Industry, Society, and Change: A Casebook*. Professor Steiner is a former chair of the Social Issues in Management Division of the Academy of Management and former chair of the Department of Management at California State University, Los Angeles.

George A. Steiner is one of the leading pioneers in the development of university curriculums, research, and scholarly writings in the field of business, government, and society. In 1983 he was the recipient of the first Sumner Marcus Award for distinguished achievement in the field by the Social Issues in Management Division of the Academy of Management. In 1990 he received the Distinguished Educator Award, given for the second time by the Academy of Management. After receiving his B.S. in business administration at Temple University, he was awarded an M.A. in economics from the Wharton School of the University of Pennsylvania and a Ph.D. in economics from the University of Illinois. He is the author of many books and articles. Two of his books received "book-of-the-year" awards. In recognition of his writings, Temple University awarded him a Litt.D. honorary degree. Professor Steiner has held top-level positions in the federal government and in industry, including corporate board directorships. Past president of the Academy of Management and co-founder of *The California Management Review*, he is Harry and Elsa Kunin Professor of Business and Society and Professor Management, Emeritus, Anderson School, UCLA.

**Anita Sizemore:**

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Business, Government and Society: A Managerial Perspective, Text and Cases, 12th Edition can make you really feel more interested to read.
