Educational Leadership: A Bridge to Improved Practice (5th Edition) By Paula A. Cordeiro, William G. Cunningham

Educational Leadership: A Bridge to Improved Practice describes how successful and effective schools and administrators operate in an increasingly challenging, fast-paced, demanding, and at times revolutionary environment. Readers are offered an integrated view of the knowledge base, research, and practice of administration within a context of multiple perspectives and a wide range of thinking.

This edition provides a comprehensive discussion of the field of educational administration in three sections. *The Foundations of Educational Leadership* presents a context for educational leadership studies with thorough descriptions and applications of educational standards, common practices, and assessments that equip each learner with a solid understanding of his or her own leadership style. *Instructional Leadership and Student Learning* emphasizes the critical role of the school leader in education, and to the student and the teacher. *Operational Support for Effective Teaching and Learning* examines the major functions of the school leader, including legal, financial, and stewardship responsibilities.

FEATURES OF THIS EDITION INCLUDE:

- A **Problem-Based Learning Project** at the end of each section, offering opportunities for applied practice and further understanding
- **New Chapter, Technology and Learning**, studies the growth of technologies in schools and what that means for aspiring school leaders.
- All new **Expert Opinions** from influential and award-winning educational scholars, including Kathleen Binkowski, Chris Devers, and Ian Martin.
