**The Norton Anthology of World Literature** From W W Norton & Co Inc

In 1995, Norton changed the way world literature is taught by introducing *The Norton Anthology of World Masterpieces*, Expanded Edition. Leading the field once again, Norton is proud to publish the anthology for the new century, *The Norton Anthology of World Literature*, Second Edition. Now published in 6 volumes (this volume, Volume E, covers the years 1800-1900), the new anthology boasts slimmer volumes, thicker paper, a bolder typeface, and dozens of newly included or newly translated works from around the world.

*The Norton Anthology of World Literature* represents continuity as well as change. Like its predecessor, the anthology is a compact library of world literature, offering an astounding forty-three complete longer works, more than fifty prose works, over one hundred lyric poems, and twenty-three plays. More portable, more suitable for period courses, more pleasant to read, and more attuned to current teaching and research trends, *The Norton Anthology of World Literature* remains the most authoritative, comprehensive, and teachable anthology for the world literature survey.
