### Wolves of the Beyond #6: Star Wolf By Kathryn Lasky

The stunning conclusion to bestselling author Kathryn Lasky's Wolves of the Beyond series!

A new land awaits the wolves of the Beyond.

A great cold and a powerful earthquake have shattered the Beyond forever, and the wolves must find a new home in order to survive. Their only hope lies in what they call the Distant Blue, a faint haze they can make out beyond the frozen sea.

Once an outcast, Faolan has spent a lifetime proving that he can be a leader. But as he steps out onto the narrow Ice Bridge the wolves will follow to the Distant Blue, Faolan may be leading his friends into terrible danger. The Distant Blue could save the wolves, or it could be another broken land. And the wolves will face jagged ice, howling winds, and unknown threats from the deep just to get there. Can the refugees work together to reach their new home? Or will Faolan and the last remaining wolves of the Beyond be lost forever?
