Editorial Review

Review

"Will guide you through the creative process in a concise fashion. Essentially the title deals with the basic principles, following an already successful Focal Press format: 14 colour-coded chapters making for an easy reference at any time. Chapters are coherent, following the natural workflow you'd expect with an almost-beginners-focused book.. Advanced tools in Silo such as Paint Displacement will entice professionals, knowing you'll really learn something of worth, and all advice is delivered by top industry experts."---3D Artist magazine

About the Author
