Animal Dreams: A Novel By Barbara Kingsolver

From Barbara Kingsolver, the acclaimed author of *Flight Behavior*, *The Lacuna*, *The Bean Trees*, and other modern classics, *Animal Dreams* is a passionate and complex novel about love, forgiveness, and one woman's struggle to find her place in the world.

At the end of her rope, Codi Noline returns to her Arizona home to face her ailing father, with whom she has a difficult, distant relationship. There she meets handsome Apache trainman Loyd Peregrina, who tells her, "If you want sweet dreams, you've got to live a sweet life."

Filled with lyrical writing, Native American legends, a tender love story, and Codi's quest for identity, *Animal Dreams* is literary fiction at its very best.

This edition includes a P.S. section with additional insights from Barbara Kingsolver, background material, suggestions for further reading, and more.

Editorial Review

Review

"Kingsolver is a writer of rare ambition and unequivocal talent . . . Animal Dreams is a complex, passionate, bravely challenging book." --- *Chicago Tribune*

From the Back Cover

"Animals dream about the things they do in the daytime just like people do. If you want sweet dreams, you've got to live a sweet life." So says Loyd Peregrina, a handsome Apache trainman and latter-day philosopher. But when Codi Noline returns to her hometown, Loyd's advice is painfully out of her reach. Dreamless and at the end of her rope, Codi comes back to Grace, Arizona, to confront her past and face her ailing, distant father. What she finds is a town threatened by a silent environmental catastrophe, some startling clues to her own identity, and a man whose view of the world could change the course of her life.

Blending flashbacks, dreams, and Native American legends, *Animal Dreams* is a suspenseful love story and a moving exploration of life's largest commitments.

About the Author

Barbara Kingsolver's work has been translated into more than twenty languages and has earned a devoted readership at home and abroad. She was awarded the National Humanities Medal, our country's highest honor for service through the arts. She received the 2011 Dayton Literary Peace Prize for the body of her work, and in 2010 won Britain's Orange Prize for *The Lacuna*. Before she made her living as a writer, Kingsolver earned degrees in biology and worked as a scientist. She now lives with her family on a farm in southern Appalachia.

Users Review
