Big Sur By Jack Kerouac

A poignant masterpiece of wrenching personal expression from the author of *On the Road* and *The Dharma Bums*

In this 1962 novel, Kerouac's alter ego Jack Duluoz, overwhelmed by success and excess, gravitates back and forth between wild binges in San Francisco and an isolated cabin on the California coast where he attempts to renew his spirit and clear his head of madness and alcohol. Only nature seems to restore him to a sense of balance. In the words of Allen Ginsberg, *Big Sur* "reveals consciousness in all its syntactic elaboration, detailing the luminous emptiness of his own paranoiac confusion."

Editorial Review

Review

"In many ways, particularly in the lyrical immediacy that is his distinctive glory, this is Kerouac's best book . . . certainly, he has never displayed more 'gentle sweetness.'"

--*San Francisco Chronicle*

"Kerouac's grittiest novel to date and the one which will be read with most respect by those skeptical of all the Beat business in the first place."

--*The New York Times Book Review*

"*Big Sur* is so devastatingly honest and painful and yet so beautifully written....He was sharing his pain and suffering with the reader in the same way Dostoyevsky did, with the idea of salvation through suffering."

--**David Amram**

About the Author

Jack Kerouac(1922-1969), the central figure of the Beat Generation, was born in Lowell, Massachusetts, in 1922 and died in St. Petersburg, Florida, in 1969. Among his many novels are **On the Road, The Dharma Bums, Big Sur, and Visions of Cody**.

From [AudioFile](#)

This autobiographical novel continues the adventures of the (older but certainly not mellower) wandering beatnik from **ON THE ROAD**. For a narrator it contains extraordinary difficulties, for the writing flies off into inebriated, overly long sentences that reflect, describe or just babble forward in a kind of free association. To keep such passages flowing while making sense out of them is no mean feat. Tom Parker pulls it off, erring only infrequently in his interpretation. He even manages to sound as if he were enjoying himself. The production is clean but tinny, possibly dampening the pleasure of home listeners, but hardly bothering drivers listening over traffic noise. Y.R. (c) AudioFile, Portland, Maine

Users Review

From reader reviews:

John Long:

Have you spare time for a day? What do you do when you have much more or little spare time? Sure, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a walk, shopping, or went to the Mall. How about open or perhaps read a book called *Big Sur*? Maybe it is to get best activity for you. You understand beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with it has the opinion or you have different opinion?

James Kyles:

Exactly why? Because this *Big Sur* is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic

author who have write the book in such remarkable way makes the content within easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book possess such as help improving your talent and your critical thinking method. So , still want to postpone having that book? If I had been you I will go to the e-book store hurriedly.

Patsy Phan:

Do you have something that that suits you such as book? The book lovers usually prefer to opt for book like comic, limited story and the biggest some may be novel. Now, why not striving Big Sur that give your fun preference will be satisfied by reading this book. Reading routine all over the world can be said as the means for people to know world much better then how they react towards the world. It can't be stated constantly that reading addiction only for the geeky man but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, it is possible to pick Big Sur become your own personal starter.

Janice Hayes:

In this period globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. Typically the book that recommended to you is Big Sur this guide consist a lot of the information from the condition of this world now. This book was represented just how can the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. Typically the writer made some research when he makes this book. Here is why this book acceptable all of you.
