Guide to the Cinema of Sweden and Finland (Reference Guides to the World's Cinema) By Per Olav Qvist, Peter von Bagh

This volume adds Sweden and Finland to the growing list of countries included in Greenwood Press' *Reference Guides to the World's Cinema* series. Both well known and other important but less known persons and films are included in the reference work which spans the silent film era to the 1990s. The volume is divided into two sections, one devoted to the Swedish entries and the other to the Finnish entries. An introduction to each section overviews the developments and trends in that particular country's film industry.

Scholars of European film studies and of Scandinavian studies will appreciate the detailed information compiled in this one volume. Organized by country, the annotated entries are alphabetically arranged and include brief bibliographies and filmographies.
