MKSAP 17 Nephrology From American College of Physicians

The 17th edition of Medical Knowledge Self-Assessment Program (MKSAP(R) 17) is specifically intended for physicians who provide personal, nonsurgical care to adults. Included are: general internists and primary care physicians; subspecialists who need to remain up-to-date in internal medicine; residents preparing for the Certification Exam in internal medicine; physicians preparing for the Maintenance of Certification Exam in internal medicine. The learning objectives of MKSAP(R) 17 are to:^{*} Close gaps between actual care in your practice and preferred standards of care, based on best evidence.^{*} Diagnose disease states that are less common and sometimes overlooked and confusing.^{*} Improve management of comorbid conditions that can complicate patient care.^{*} Determine when to refer patients for surgery or care by subspecialists.^{*} Pass the ABIM Certification Examination and the ABIM Maintenance of Certification Examination. MKSAP(R) 17 Nephrology provides guidance on clinical evaluation of kidney function, fluids and electrolytes, acid-based disorders, hypertension, chronic tubulo interstitial disorders, glomerular diseases, genetic disorders and kidney disease, acute kidney injury, kidney stones, the kidney in pregnancy, and chronic kidney disease. It includes 108 multiple-choice questions.

Editorial Review

Users Review

From reader reviews:

Barbara Baker:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each e-book has different aim or perhaps goal; it means that publication has different type. Some people really feel enjoy to spend their a chance to read a book. These are reading whatever they have because their hobby is usually reading a book. What about the person who don't like studying a book? Sometime, man feel need book once they found difficult problem or maybe exercise. Well, probably you'll have this MKSAP 17 Nephrology.

Michelle Jennings:

This MKSAP 17 Nephrology are usually reliable for you who want to be described as a successful person, why. The reason why of this MKSAP 17 Nephrology can be one of several great books you must have will be giving you more than just simple reading food but feed you with information that probably will shock your prior knowledge. This book will be handy, you can bring it all over the place and whenever your conditions throughout the e-book and printed people. Beside that this MKSAP 17 Nephrology forcing you to have an enormous of experience for instance rich vocabulary, giving you trial of critical thinking that we realize it useful in your day activity. So , let's have it appreciate reading.

Willie Coffey:

Reading a guide tends to be new life style within this era globalization. With studying you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write to the book. One of them is this MKSAP 17 Nephrology.

Sandra Castillo:

In this age globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. The particular book that recommended to

you is MKSAP 17 Nephrology this publication consist a lot of the information with the condition of this world now. This specific book was represented how does the world has grown up. The dialect styles that writer use to explain it is easy to understand. The particular writer made some analysis when he makes this book. That's why this book acceptable all of you.
