Squish #8: Pod vs. Pod By Jennifer L. Holm, Matthew Holm

From the *New York Times* bestselling, Eisner-winning creators of Babymouse, it's green . . . it's blobby . . . it's gross . . . it's SQUISH(!), a comic-book-loving amoeba whose adventures are perfect for fans of Captain Underpants.

Uh-oh! Squish's friend Pod just hasn't been himself lately. One minute he's happy-dancing; the next he's sobbing in his soup. What's going on? (Hint: "mitosis" is the process that splits single-celled organisms. That's right, *splits*.) It is truly pod vs. pod—and may the best pod, umm, win?

BONUS: Look in the back to find out how to draw one of the Squish characters and to get instructions for a SENSATIONAL science experiment you can do at home! **SHAZAM!**

Praise for Squish:

* **"Hilarious.** If ever a new series deserved to go viral, this one does." —*Kirkus Reviews*, Starred

"An **energetic**, good-hearted escapade, one that young readers will enjoy." —*The New York Times*

"Simple enough for early readers but still **remarkably snarky, clever, and entertaining.**" —*The Bulletin of the Center for Children's Books*

Users Review

From reader reviews:

Ashley Mansfield:

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Using book everyone in this world could share their idea. Books can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some exploration before they write to the book. One of them is this Squish #8: Pod vs. Pod.

Bonnie Mentzer:

Reading can called imagination hangout, why? Because when you are reading a book specifically book entitled Squish #8: Pod vs. Pod your brain will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely might be your mind friends. Imaging each word written in a book then become one application form conclusion and explanation this maybe you never get before. The Squish #8: Pod vs. Pod giving you one more experience more than blown away your brain but also giving you useful facts for your better life with this era. So now let us explain to you the relaxing pattern this is your body and mind are going to be pleased when you are finished examining it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Dustin Broach:

Your reading 6th sense will not betray a person, why because this Squish #8: Pod vs. Pod book written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still hesitation Squish #8: Pod vs. Pod as good book not just by the cover but also from the content. This is one reserve that can break don't determine book by its handle, so do you still

needing a different sixth sense to pick this specific!? Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.

Josette Leonard:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person like reading or as reading through become their hobby. You need to know that reading is very important and book as to be the issue. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You find good news or update concerning something by book. Many kinds of books that can you decide to try be your object. One of them are these claims Squish #8: Pod vs. Pod.
