## The Hidden History of the JFK Assassination By Lamar Waldron

November 22, 2013 marks the 50th anniversary of the tragedy that has haunted America ever since. For the first time, this concise and compelling book pierces the veil of secrecy to fully document the small, tightly-held conspiracy that killed President John F. Kennedy. It explains why he was murdered, and how it was done in a way that forced many records to remain secret for almost fifty years.

*The Hidden History of JFK's Assassination* draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy, in addition to former FBI, Secret Service, military intelligence, and Congressional personnel, who provided critical first-hand information. The book also uses government files—including the detailed FBI confession of notorious Mafia godfather Carlos Marcello—to simply and clearly reveal exactly who killed JFK. Using information never published before, the book uses Marcello's own words to his closest associates to describe the plot. His confession is also backed up by a wealth of independent documentation.

This book builds on the work of the last Congressional committee to investigate JFK's murder, which concluded that JFK 'was probably assassinated as a result of a conspiracy,' and that godfathers ["Santo] Trafficante [and Carlos] Marcello had the motive, means, and opportunity to assassinate President Kennedy." However, it also draws on exclusive files and information not available to Congress, that have only emerged in recent years, to fully explain for the first time how Marcello and Trafficante committed—and got away with—the crime of the 20th century.

Some of the book's revelations will be dramatized in the upcoming Warner Brothers film *Legacy of Secrecy*, produced by and starring Leonardo DiCaprio, which also stars Robert De Niro as Carlos Marcello.

*The Hidden History of JFK's Assassination* is the definitive account of the crime and the secrecy which has surrounded it.

## **Editorial Review**

### **About the Author**

Lamar Waldron's historical research and nonfiction books have won praise from Publishers Weekly, Vanity Fair, the Boston Globe, the San Francisco Chronicle, and major publications in Europe. Called "the ultimate JFK historian" by Variety, his groundbreaking research has been the subject of two prime time specials on the Discovery Channel, produced by NBC News. He has been featured on CNN, the History Channel, Geraldo Rivera, Fox News, and television specials in England, Germany, Japan, and Australia.

## **Users Review**

### **From reader reviews:**

#### **Sharon Gaines:**

Precisely why? Because this The Hidden History of the JFK Assassination is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book next to it was fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the reserve store hurriedly.

#### **Raymond Custer:**

Your reading 6th sense will not betray you actually, why because this The Hidden History of the JFK Assassination book written by well-known writer we are excited for well how to make book which might be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still uncertainty The Hidden History of the JFK Assassination as good book not simply by the cover but also through the content. This is one book that can break don't determine book by its include, so do you still needing a different sixth sense to pick this!? Oh come on your studying sixth sense already told you so why you have to listening to an additional sixth sense.

#### **Pablo Torrey:**

This The Hidden History of the JFK Assassination is great guide for you because the content which can be full of information for you who have always deal with world and get to make decision every minute. This book reveal it details accurately using great manage word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but difficult core information with splendid delivering sentences. Having The Hidden History of the JFK Assassination in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no guide that offer you world with ten or fifteen tiny right but this book

already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt which?

**Patricia Beall:**
